

# From Out' The Wizards Sleeve...

By Barron Stringfellow

## Part VII. : As The Pull Retracts!

Reels: \$29.00 to \$150.00 There's gotta be a better way! And there is! Retractable Reels can be purchased at Cabella's Sporting Goods! They are priced at a much more reasonable \$4.99 to \$12.99. Which has nothing to do with this month's installment of the sleeve!

This was to be the last article from me...but you unlucky folks saw fit to elect me your Vice President! This means that I intend to continue writing the column, filled with unasked for advice, tips, topics and such! (I figure if the Klown can have a Presidents Column, why not take some VP space!!!)

Seriously, Thank-you for the opportunity to serve as your Vice President. Kevin and I have some interesting thoughts for the Assembly. We'd like to work with the local IBM as a team! (Are you a Member of the IBM? Do you belong Locally?) This may mean Joint Venture Lectures, or shows or Community Service....whatever! If you have some thoughts on this, please let us know!! Kevin and I will be getting together with the Officers of the local IBM (LC Collier; President & Chuck Macan; VP) after IBM meetings, and Before SAM meetings. This means that we will be attending as many of both clubs monthly meetings as we can! YOU are welcome to join in....the more support we show, the faster and stronger we grow!
